File of Life..... Fire Department

767-0368
 File of Life is a medical information packet designed to provide emergency personnel with necessary medical data to begin immediate treatment when a patient is unable to provide this information. This concept can be used by any person, but is especially helpful for patients who live alone. The card, which is kept in a red plastic pocket labeled File of Life, lists the patient’s name, emergency medical contact, insurance policy, social security number, health problems, medications, dosages, allergies, recent surgery, religion, and a health care proxy. The sticker inside should be placed on the front door of a person’s residence to alert responding medical personnel to locate the entire pocket, which is held with a magnet to the outside of the refrigerator. Packets can be obtained at any Ponca City Fire Station, the Alliance Health Emergency Room, and many local doctor’s offices and pharmacies.

File of Life forms can be completed & submitted at: <http://www.poncacityok.gov/forms.aspx?fid=101>

Fire Safety..... Fire Department

767-0368
 The Ponca City Fire Department provides free public fire safety training on an as-needed basis. Free fire station tours can be scheduled Monday through Friday from 8:00 a.m. to 5:00 p.m. The department conducts yearly inspections of all businesses in Ponca City for Life Safety Code compliance. The department maintains a program for homeowners and those purchasing a home where department personnel install a smoke alarm in the residence at no charge. If you rent or live in an apartment house, the property owner must by law supply each residence with a working smoke alarm.

Home Improvements..... Development Services/Building Official

767-0332
 Many home improvement projects are subject to zoning and building code requirements and require a building, electrical, mechanical or plumbing permit issued by the Development Services Department. For example, most construction, renovation of decks, room additions, detached garages, carports, storage sheds, and sprinkler systems require permits. Home improvement projects may also be subject to additional deed or private covenant restrictions.

Home Occupations..... Development Services/Secretary.....

767-0383

All home occupations require the individual to register with the Development Services Department. Home occupations can include music instruction, one operator beauty shops, child care establishments, tailoring, and other service oriented occupations. The display and sale of items is prohibited. Only the persons living in the home may be employed in a home occupation. Call to request an application.

Inoperable Vehicles..... Development Services/Property Inspection.....767-0359, 718-5072
 Inoperable vehicles must be stored in a garage or on property lawfully zoned for such storage. The vehicle must have a current license plate. An inoperable vehicle is any vehicle which is junked, abandoned, wrecked, wholly or partially dismantled, placed on blocks or chains, or lacks any part necessary for the lawful operation of the vehicle on the streets and highways of Oklahoma.

Partners in Awareness..... Police Department..... 767-0370

This program is designed to provide needed information in the event of a crisis involving an elderly person living alone. Forms for those wishing to participate are available at the Police Department. The form requests information regarding physician, prescribed medications, and next of kin. The Police Department retains this information for emergencies only.

Property MaintenanceDevelopment Services/Property Inspection..... 718-5072, 767-0359
Code Complaint Hotline

767-0331
Property owners are required to maintain their residences and places of business to provide aesthetic and safe surroundings to themselves and their neighbors. The exteriors of structures are to be maintained in a sound condition to prevent further deterioration or an appearance that will cause neighborhood blight. Windows and doors must be free of broken glass and torn screens. Wall surfaces should be painted or covered with siding. State of Oklahoma statutes allow municipalities to have dilapidated buildings demolished, the costs of removal then becoming a lien on the property. The administrative officer designated to carry out the duties of the governing body in regards to property maintenance is the Development Services Director.

Trash collection is a service of the Ponca City Utility Authority. Solid Waste will pick up to 105 gallons of trash from your residence twice per week. The trash must be containerized in plastic bags or metal/plastic cans no larger than 35 gallons. Large quantities of trash or bulky items (sofa, dryers, etc.) will be picked up separately for an additional fee. Bagged grass clippings will be picked up via special pickup only. The Solid Waste Division also offers dumpsters and open-top containers of various sizes to match the size of your need. Charges vary by container size. Residents also enjoy free disposal of trash and debris during the annual Spring Cleanup event and Fall Leaf Pickup service. The week-long Spring Cleanup is offered in late March or early April, and the Leaf Pickup begins in November and runs into January.

United Way of Ponca City invests resources for the most important needs by partnering with new and existing programs to product measureable, effective results.

Agencies and Sponsored Programs supported by United Way are:

- Education: Boys Scout Cimarron Council, Child Development Center, Girl Scouts of Eastern Oklahoma, Big Brothers, Big Sisters
- Financial Stability: Survivor Resource Network, Peachtree Landing, Retired Senior Volunteer Program
- Health and Safety: Golden Villa Adult Day Services, New Emergency Resource Agency, Northern Oklahoma Youth Services, American Red Cross
- Homeless Management Information System: The program brings together homeless providers from 40 counties to better serve clients. Through a computerized data collection system, duplication of services between providers is avoided. Providers are also able to maximize available resources to assist the homeless in their move to self-sufficiency.
- Heartline Inc.: The 24 hour a day/7 days a week call center connects Oklahomans in crisis to the help they need. Heartline maintains the 2-1-1 information and referral line to 40 counties, in addition to four other lines to the entire state: 405-286-4057 for compassionate listening, 800-784-2433 and 800-273-8255 for suicide prevention, and for a gambling problem 800-522-4700.
- Familywize: In partnership with FamilyWize, United Way seeks to assist the uninsured and underinsured by providing prescription drug discount cards to families and individuals who have no prescription insurance or whose insurance does not cover name brand medications. Cards are available at all Ponca City Pharmacies, United Way and Selected service Agencies.

Northern Oklahoma College..... 1220 E. Grand-Tonkawa 628-6200

University Center at Ponca City..... 2800 N. 14th Street..... 718-5600

The University Center at Ponca City offers college and university degree programs and coursework from several Oklahoma higher education institutions. The University Center provides associate, bachelor and master's degree programs.

Degree programs to choose from include: Accounting, Adult Education Management/Administration, Business Administration, Computer Science, Counseling Psychology, Criminal Justice, Early Childhood Education, Educational Leadership Administration, Elementary Education, Guidance and Counseling, Management, Organizational Leadership, Secondary Education, Special Education, Psychology and much more!

Courses are taught through distance learning channels, such as interactive television, as well as professors who teach in person at the University Center. Interactive television allows students and instructors to see, hear and talk to one another as if they are physically sitting in the same classroom.

The University Center is located at 2800 N. 14th Street in Ponca City. Academic advisement is available Monday-Friday to assist in enrollment, admission and college or university selection. Financial aid and scholarships are available for those who qualify. For detailed information, visit the University Center's web site at www.UCPoncaCity.com

School-Technical

Pioneer Technology Center 2101 N. Ash Street..... 762-8336

Since 1973, Pioneer Technology Center (PTC) has provided the resources and training needed to fulfill its mission of enhancing lives and securing futures. PTC offers full-time career specific programs to high school and adult students so they can develop knowledge, technical skills, and character traits needed for success in the workplace and in life.

In addition to providing programs for the developing workforce, Pioneer Tech delivers an array of services for existing companies, start-up businesses, entrepreneurs, and industries; as well as adults who want to update or enhance existing job skills or just have fun with a hobby. Because PTC is part of a statewide network of technology centers, they have access to an unlimited pool of expertise that can help companies be more profitable through increased efficiency, quality standards, and certifications that qualify them to work nationally and, in some cases, internationally. Each year over 10,000 individuals take advantage of these offerings that, in turn, enhance the area's business climate and economy, providing an increased number of jobs within the district.

Along with quality career specific programs, Pioneer Technology Center offers programs that allow students to find success in core academic subjects. Through the ABE/HSE program, adult students without a high school education can gain the knowledge needed to earn their diploma. Students whose native language is not English can take advantage of English as a Second Language (ESL) classes. For high school students at risk of not finishing high school, PTC offers the SHARE program along with credit recovery opportunities to assist them in meeting graduation requirements.

Full-Time Programs are for high school Juniors & Seniors as well as adults with some exceptions. If you are interested in applying contact the Student Services office to schedule an assessment testing appointment. Classes typically run from the 2nd week in August through the last week of May.

Pioneer Tech offers short-term classes through Adult Training and Development (AT&D) in the Spring, Summer, and Fall. Online courses are always available and offer a wide range of highly interactive courses that you can take entirely over the Internet. All courses are led by expert instructors, many of whom are nationally known authors. Our online courses are affordable, fun, fast, convenient, and geared just for you. Classes typically run the 2nd week in August - through the first week of December, 2nd week of January - the end of May, and June/July.

Pioneer Technology Center is open Monday through Thursday from 7:30 a.m. to 9:00 p.m. and Friday from 7:30 a.m. to 4:30 p.m. Visit pioneertech.edu to find out more about their programs and services.
